**UKAS Accredited Electrical &
Mechanical Calibration Services
(Laboratory and On-Site)**

About Us

Rhpoint Metrology Ltd provides an impressive range of calibration services at both our laboratories and on site at customer's premises. With a team of over 25 calibration engineers, we have a wealth of experience covering all disciplines.

Rhpoint Metrology Ltd has been providing customers across a variety of industry sectors with UKAS calibration services since 1986 (current accreditation schedule: 0720), including:

Automotive
(including F1 teams)

Aerospace

Oil and gas

Rail

Military

Medical

Pharmaceutical

Catering

Packaging

Calibration Services

We provide an extensive range of calibration services along with repair, refurbishment and replacement equipment where required. Our team of qualified and experienced engineers offer a consistently high level of service.

- Full calibration system management
- Online certification
- Calibration consultancy service
- Electrical and mechanical equipment repair and refurbishment facility
- Emergency response

On-Site Services

Our mobile service offers UKAS on-site calibration of Surface Plates/Tables & optical profile projectors.

Other types of on-site calibration services with certification traceable to the National Standards are also available.

Our UKAS accredited disciplines include:

- Dimensional
- Mechanical
- Electrical
- Pressure
- Temperature
- Mass

Goldtrack service.
Guaranteed 48
hour service

**Collection and
delivery by Rhopoint
dedicated vehicles**

**Typical
turnaround time
of 5 working days**

For quotations or collections contact:

Birmingham: 0121 784 7498 or birminghamsales@rhopointmetrology.co.uk

Bristol: 01761 411 247 or bristolsales@rhopointmetrology.co.uk

Online Shop

Rhpoint Metrology offers a range of precision hand tools from premium quality brands such as Bowers, Moore & Wright, Sylvac and Baty (other manufacturers available).

Selected products are available with FREE UKAS calibration and fast shipping.

- Bore gauges
- Engineers levels
- Glossmeters
- Surface testers
- Micrometers

- Dial indicators
- Feeler gauges
- Shore durometers
- Calipers
- Digital protractors and more....

Visit: www.rhpointmetrology.co.uk/our-shop to view our full range.

Secure and fast shipping

We provide same day shipping on selected products ordered by 2pm

Calibration Disciplines

Dimensional / Mechanical

- Angle plates, box angle plates
- Balls
- Bench centres
- Comparators
- Cylindrical setting standards
- Dial gauges, lever & plunger
- Feeler gauges
- Gauge blocks (by comparison)
- Height gauges, electronic
- Length gauges, flat & spherical ended
- Levels, spirit & electronic
- Luer gauges
- Micrometers all types
- Micrometer, height setting riser blocks
- Orifice plates
- Parallels
- Penetration needles and cones
- Plug gauges
- Screw gauges
- Sine bars, centres, tables
- Squares, blade, block & cylindrical
- Steel rules, engineers
- Straight edges
- Surface plates & tables
- Surface texture
- Thread gauges
- Transducers
- Vee blocks
- Vernier gauges

Electrical

- Ammeters, ac, dc
- Bridges
- Calibrators
- Frequency counters
- Loop testers
- Multimeters, analogue & digital
- Oscilloscopes (deflection coefficients only)
- Portable appliance testers
- Power supply units
- Resistance boxes
- Resistors, ac, dc
- Shunts
- Tachometers, optical
- Temperature indicators
- Timers
- Voltage dividers and volt ratio boxes, dc
- Voltage standards, ac, dc
- Voltmeters, ac, dc

Mass

- Weighing machines (non-automatic)
- Individual masses to Class M2 up to 500Kg

Pressure

- Pressure gauges
- Pressure transducers
- Pressure calibrators
- Manometers
- Vacuum gauges
- Dead weight testers

Temperature

- Thermocouples
- Thermometers
- Temperature probes
- PRT's
- Temperature controllers
- Temperature loggers
- Oven surveys

Torque

- Hand torque drivers and wrenches up to 1500 lb/ft
